CHAPTER _____

An act to amend Sections 2088, 2221, 2225, 2441, 2519, 2520, 2529, 3576, and 3577 of, and to add Sections 2522, 2523, 2529.1, 2529.6, 3576.1, 3576.2, and 3576.3 to, the Business and Professions Code, relating to healing arts, and making an appropriation therefor.

LEGISLATIVE COUNSEL'S DIGEST

AB 2745, Holden. Healing arts: licensing and certification.

(1) Existing law, the Medical Practice Act, provides for the licensure and regulation of physicians and surgeons by the Medical Board of California. Existing law authorizes an applicant for a physician's and surgeon's license who is otherwise eligible for a license but is unable to practice some aspects of medicine safely due to a disability to receive a limited license if the applicant pays the license fee and signs an agreement agreeing to limit his or her practice in the manner prescribed by the reviewing physician and agreed to by the board. Existing law makes any person who knowingly provides false information in this agreement subject to any sanctions available to the board. Existing law authorizes the board to require the applicant to obtain an independent clinical evaluation of his or her ability to practice medicine safely as a condition of receiving the limited license. Violation of specified provisions of the act is a crime. Existing law establishes the Contingent Fund of the Medical Board of California, a continuously appropriated fund.

This bill would specify that a licensee who is otherwise eligible for a license but is unable to practice some aspects of medicine safely due to a disability is authorized to receive the limited license if the above-described conditions are met, including payment of the appropriate fee. By adding fees for deposit into the Contingent Fund of the Medical Board of California, this bill would make an appropriation.

This bill would also authorize the board to deny a postgraduate training authorization to an applicant who is guilty of unprofessional conduct or of any cause for revocation or suspension of a license.

(2) Existing law authorizes a licensee who demonstrates that he or she is unable to practice medicine due to a disability to request a waiver of the license renewal fee. Under existing law, a licensee granted that waiver is prohibited from practicing medicine until he or she establishes that the disability no longer exists or signs an agreement, under penalty of perjury, agreeing to limit his or her practice in the manner prescribed by the reviewing physician.

This bill would require the board to agree to this limit, would authorize the board to require an independent clinical evaluation, and would subject a person who knowingly provides false information in the agreement to sanctions. By modifying the scope of the crime of perjury, this bill would impose a state-mandated local program.

(3) Existing law authorizes the board, in any investigation that involves the death of a patient, to inspect and copy the medical records of the deceased patient without the authorization of the beneficiary or personal representative of the deceased patient or a court order solely to determine the extent to which the death was the result of the physician and surgeon's violation of the Medical Practice Act, if the board provides a written request to the physician and surgeon that includes a declaration that the board has been unsuccessful in locating or contacting the deceased patient's beneficiary or personal representative after reasonable efforts.

This bill would authorize the board to provide the written request to the facility where the medical records are located or the care to the deceased patient was provided.

(4) Existing law, the Licensed Midwifery Practice Act of 1993, provides for the licensing and regulation of midwives by the Medical Board of California. Under the act, the board is authorized to suspend or revoke the license of a midwife for specified conduct, including unprofessional conduct consisting of, among other things, incompetence or gross negligence in carrying out the usual functions of a licensed midwife. A violation of the act is a crime.

This bill would authorize the board to place a license on probation and establish a fee for monitoring a licensee on probation. The bill would also authorize a person whose license has been voluntarily surrendered while under investigation or while charges are pending or whose license has been suspended, revoked, or placed on probation to petition the board for reinstatement or modification of penalty, as specified. The bill would require the

revocation of a license for a person required to register as a sex offender, except as specified.

(5) Existing law relating to research psychoanalysts authorizes certain students and graduates in psychoanalysis to engage in psychoanalysis under prescribed circumstances if they register with the Medical Board of California and present evidence of their student or graduate status. Existing law authorizes that board to suspend or revoke the exemption of those persons from licensure for unprofessional conduct, as specified.

The bill would include within the definition of unprofessional conduct, among other things, the use of any controlled substance, or the use of any dangerous drugs, as specified, or of alcoholic beverages, as specified. The bill would also require the revocation of a registration for a person required to register as a sex offender, except as specified.

(6) Existing law prohibits a person from using the title “certified polysomnographic technologist” or engaging in the practice of polysomnography unless he or she is registered as a certified polysomnographic technologist, is supervised and directed by a licensed physician and surgeon, and meets certain other requirements. Existing law requires polysomnographic technologists to apply to and register with the Medical Board of California and to pay specified fees to be fixed by the board at no more than \$100 each, and to renew their registration biennially for a fee of no more than \$150. Existing law requires the deposit of those fees in the Contingent Fund of the Medical Board of California. Existing law authorizes a registration to be suspended, revoked, or otherwise subject to discipline for specified conduct.

This bill would also authorize a registration to be placed on probation if a registrant engages in that conduct and would establish a fee for monitoring a registrant on probation. By increasing fees for deposit into the Contingent Fund, this bill would make an appropriation. The bill would authorize a person whose registration has been voluntarily surrendered while under investigation or while charges are pending or whose registration has been suspended, revoked, or placed on probation to petition the board for reinstatement or modification of penalty, as specified. The bill would require the revocation of a registration for a person required to register as a sex offender, except as specified. The bill would

authorize the suspension or revocation of a registration for unprofessional conduct, as defined.

(7) The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state. Statutory provisions establish procedures for making that reimbursement.

This bill would provide that no reimbursement is required by this act for a specified reason.

Appropriation: yes.

The people of the State of California do enact as follows:

SECTION 1. Section 2088 of the Business and Professions Code is amended to read:

2088. (a) An applicant for a physician's and surgeon's license or a physician's and surgeon's licensee who is otherwise eligible for that license but is unable to practice some aspects of medicine safely due to a disability may receive a limited license if he or she does both of the following:

(1) Pays the appropriate initial or renewal license fee.

(2) Signs an agreement on a form prescribed by the board in which the applicant or licensee agrees to limit his or her practice in the manner prescribed by the reviewing physician and agreed to by the board.

(b) The board may require the applicant or licensee described in subdivision (a) to obtain an independent clinical evaluation of his or her ability to practice medicine safely as a condition of receiving a limited license under this section.

(c) Any person who knowingly provides false information in the agreement submitted pursuant to subdivision (a) shall be subject to any sanctions available to the board.

SEC. 2. Section 2221 of the Business and Professions Code is amended to read:

2221. (a) The board may deny a physician's and surgeon's certificate or postgraduate training authorization letter to an applicant guilty of unprofessional conduct or of any cause that would subject a licensee to revocation or suspension of his or her license. The board in its sole discretion, may issue a probationary physician's and surgeon's certificate to an applicant subject to

terms and conditions, including, but not limited to, any of the following conditions of probation:

(1) Practice limited to a supervised, structured environment where the licensee's activities shall be supervised by another physician and surgeon.

(2) Total or partial restrictions on drug prescribing privileges for controlled substances.

(3) Continuing medical or psychiatric treatment.

(4) Ongoing participation in a specified rehabilitation program.

(5) Enrollment and successful completion of a clinical training program.

(6) Abstention from the use of alcohol or drugs.

(7) Restrictions against engaging in certain types of medical practice.

(8) Compliance with all provisions of this chapter.

(9) Payment of the cost of probation monitoring.

(b) The board may modify or terminate the terms and conditions imposed on the probationary certificate upon receipt of a petition from the licensee. The board may assign the petition to an administrative law judge designated in Section 11371 of the Government Code. After a hearing on the petition, the administrative law judge shall provide a proposed decision to the board.

(c) The board shall deny a physician's and surgeon's certificate to an applicant who is required to register pursuant to Section 290 of the Penal Code. This subdivision does not apply to an applicant who is required to register as a sex offender pursuant to Section 290 of the Penal Code solely because of a misdemeanor conviction under Section 314 of the Penal Code.

(d) An applicant shall not be eligible to reapply for a physician's and surgeon's certificate for a minimum of three years from the effective date of the denial of his or her application, except that the board may, in its discretion and for good cause demonstrated, permit reapplication after not less than one year has elapsed from the effective date of the denial.

SEC. 3. Section 2225 of the Business and Professions Code is amended to read:

2225. (a) Notwithstanding Section 2263 and any other law making a communication between a physician and surgeon or a doctor of podiatric medicine and his or her patients a privileged

communication, those provisions shall not apply to investigations or proceedings conducted under this chapter. Members of the board, the Senior Assistant Attorney General of the Health Quality Enforcement Section, members of the California Board of Podiatric Medicine, and deputies, employees, agents, and representatives of the board or the California Board of Podiatric Medicine and the Senior Assistant Attorney General of the Health Quality Enforcement Section shall keep in confidence during the course of investigations, the names of any patients whose records are reviewed and shall not disclose or reveal those names, except as is necessary during the course of an investigation, unless and until proceedings are instituted. The authority of the board or the California Board of Podiatric Medicine and the Health Quality Enforcement Section to examine records of patients in the office of a physician and surgeon or a doctor of podiatric medicine is limited to records of patients who have complained to the board or the California Board of Podiatric Medicine about that licensee.

(b) Notwithstanding any other law, the Attorney General and his or her investigative agents, and investigators and representatives of the board or the California Board of Podiatric Medicine, may inquire into any alleged violation of the Medical Practice Act or any other federal or state law, regulation, or rule relevant to the practice of medicine or podiatric medicine, whichever is applicable, and may inspect documents relevant to those investigations in accordance with the following procedures:

(1) Any document relevant to an investigation may be inspected, and copies may be obtained, where patient consent is given.

(2) Any document relevant to the business operations of a licensee, and not involving medical records attributable to identifiable patients, may be inspected and copied if relevant to an investigation of a licensee.

(c) (1) Notwithstanding subdivision (b) or any other law, in any investigation that involves the death of a patient, the board may inspect and copy the medical records of the deceased patient without the authorization of the beneficiary or personal representative of the deceased patient or a court order solely for the purpose of determining the extent to which the death was the result of the physician and surgeon's conduct in violation of the Medical Practice Act, if the board provides a written request to either the physician and surgeon or the facility where the medical

records are located or the care to the deceased patient was provided, that includes a declaration that the board has been unsuccessful in locating or contacting the deceased patient's beneficiary or personal representative after reasonable efforts. Nothing in this subdivision shall be construed to allow the board to inspect and copy the medical records of a deceased patient without a court order when the beneficiary or personal representative of the deceased patient has been located and contacted but has refused to consent to the board inspecting and copying the medical records of the deceased patient.

(2) The Legislature finds and declares that the authority created in the board pursuant to this section, and a physician and surgeon's compliance with this section, are consistent with the public interest and benefit activities of the federal Health Insurance Portability and Accountability Act (HIPAA).

(d) In all cases in which documents are inspected or copies of those documents are received, their acquisition or review shall be arranged so as not to unnecessarily disrupt the medical and business operations of the licensee or of the facility where the records are kept or used.

(e) If documents are lawfully requested from licensees in accordance with this section by the Attorney General or his or her agents or deputies, or investigators of the board or the California Board of Podiatric Medicine, the documents shall be provided within 15 business days of receipt of the request, unless the licensee is unable to provide the documents within this time period for good cause, including, but not limited to, physical inability to access the records in the time allowed due to illness or travel. Failure to produce requested documents or copies thereof, after being informed of the required deadline, shall constitute unprofessional conduct. The board may use its authority to cite and fine a physician and surgeon for any violation of this section. This remedy is in addition to any other authority of the board to sanction a licensee for a delay in producing requested records.

(f) Searches conducted of the office or medical facility of any licensee shall not interfere with the recordkeeping format or preservation needs of any licensee necessary for the lawful care of patients.

SEC. 4. Section 2441 of the Business and Professions Code is amended to read:

2441. (a) Any licensee who demonstrates to the satisfaction of the board that he or she is unable to practice medicine due to a disability may request a waiver of the license renewal fee. The granting of a waiver shall be at the discretion of the board and may be terminated at any time. Waivers shall be based on the inability of a licensee to practice medicine. A licensee whose renewal fee has been waived pursuant to this section shall not engage in the practice of medicine unless and until the licensee pays the current renewal fee and does either of the following:

(1) Establishes to the satisfaction of the board, on a form prescribed by the board and signed under penalty of perjury, that the licensee's disability either no longer exists or does not affect his or her ability to practice medicine safely.

(2) Signs an agreement on a form prescribed by the board, signed under penalty of perjury, in which the licensee agrees to limit his or her practice in the manner prescribed by the reviewing physician and agreed to by the board.

(b) The board may require the licensee described in paragraph (2) of subdivision (a) to obtain an independent clinical evaluation of his or her ability to practice medicine safely as a condition of receiving a disabled status license under this section.

(c) Any person who knowingly provides false information in the agreement submitted pursuant to paragraph (2) of subdivision (a) shall be subject to any sanctions available to the board.

(2) Conviction of a violation of Section 2052, in which event, the record of the conviction shall be conclusive evidence thereof.

(3) The use of advertising that is fraudulent or misleading.

(4) Obtaining or possessing in violation of law, or prescribing, or except as directed by a licensed physician and surgeon, dentist, or podiatrist administering to himself or herself, or furnishing or administering to another, any controlled substance as defined in Division 10 (commencing with Section 11000) of the Health and

(6) Conviction of a criminal offense involving the prescription, consumption, or self-administration of any of the substances described in paragraphs (4) and (5), or the possession of, or falsification of, a record pertaining to, the substances described in paragraph (4), in which event the record of the conviction is conclusive evidence thereof.

(7) Commitment or confinement by a court of competent jurisdiction for intemperate use of or addiction to the use of any of the substances described in paragraphs (4) and (5), in which event the court order of commitment or confinement is prima facie evidence of such commitment or confinement.

(8) Falsifying, or making grossly incorrect, grossly inconsistent, or unintelligible entries in any hospital, patient, or other record pertaining to the substances described in subdivision (a).

(b) Procuring a license by fraud or misrepresentation.

(c) Conviction of a crime substantially related to the qualifications, functions, and duties of a midwife, as determined by the board.

(g) Impersonating any applicant or acting as proxy for an applicant in any examination required under this chapter for the issuance of a license or a certificate.

(h) Impersonating another licensed practitioner, or permitting or allowing another person to use his or her license or certificate for the purpose of providing midwifery services.

(i) Aiding or assisting, or agreeing to aid or assist any person or persons, whether a licensed physician or not, in the performance of or arranging for a violation of any of the provisions of Article 12 (commencing with Section 2221) of Chapter 5.

Notwithstanding subdivision (c), that fee may be collected and retained by that organization.

(b) The fee for monitoring a licensee on probation shall be the cost of monitoring, as fixed by the board.

(b) The person may file the petition after a period of not less than the following minimum periods have elapsed from the effective date of the surrender of the license or the decision ordering that disciplinary action:

After a hearing on the petition, the administrative law judge shall provide a proposed decision to the board, which shall be acted upon in accordance with Section 2335.

(e) The panel of the board or the administrative law judge hearing the petition may consider all activities of the petitioner since the disciplinary action was taken, the offense for which the petitioner was disciplined, the petitioner's activities during the time the license was in good standing, and the petitioner's rehabilitative efforts, general reputation for truth, and professional ability.
